Clause 5.2 : Policy

Clause 5.2.1 : Establishing The Quality Policy

MD has reviewed all business operations, taken ethical business practices into consideration and determined, established, implemented and maintained Quality Policy as follows ...

QUALITY POLICY

We, at MST/ Montage shall always ensure smooth and defect free flow of material at our customers end by committing ourselves to high standards of surface finishing and coating of engineering components.

We shall achieve this by developing and motivating our employees to ensure respect of product and observing processes to meet customer requirements consistently there by continuously improving on reduction of in-process rejection and cost of poor quality.

We shall protect the environment by strict adherence to the procedures demanded by regulatory bodies.

Rev.00
01.06.2022

Dr. Sanjay Pandey
(Managing Director)

This Quality Policy is ...

a. Is appropriate to the purpose and context of the organization and support its strategic direction
b. Provides a framework for setting Quality Objectives
c. Includes a commitment to satisfy applicable requirements (customer's as well as legal)
d. Includes a commitment to continual improvement of Quality Management System

The Quality Policy and Objectives are communicated to all through the training sessions as well as made available by displaying at prominent locations in the organization in Marathi and English languages that confirms its availability to all relevant interested parties. Policy statement is considering for review by Top **Management for its continuing suitability on yearly basis,** during financial year change (if needed) and its review comments are providing in subsequent management review.
